Re: *Onondaga Lake, Onondaga County, New York*

Dear Mr. Daigle:

On December 24, 1996, on behalf of Syracuse China Company, I forwarded to you the response to the joint request for information on the Onondaga Lake Site, Onondaga County, New York, dated June 19, 1996, issued by the United States Environmental Protection Agency and the New York State Department of Environmental Conservation.

Your Question 4 requested that a map of the facility be provided. At the time of the response, equipment problems prevented submission of the map of the facility.

The map is now available, and as promised in the response, it is being provided to you as an enclosure to this letter.

If you have any questions, please feel free to contact me.

Sincerely,

John L. Greenthal
